Reasons for Allowance

1. Claims 8, 10, and 11 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Referring to claim 8, the prior art does not teach or reasonably suggest applying the fault indicia to a fault tree having a starting point and being representative of the machine, the fault indicia being applied at a location other than the starting point of the fault tree to determine a diagnostic path within the fault tree.

Referring to claim 11, the prior art does not teach or reasonably suggest an expert system module having a fault tree with a starting point, where the expert system module is guided through the fault tree at a location other than the starting point of the fault tree by the determination of at least one potential or actual faults by the fault recognition module.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
